

### ***What happens on a Sunday Night?***

Our Sunday nights vary slightly each week, but on a typical Sunday night, we spend time playing in our Mission Center Gym and then each youth is given the option to head to Youth Music or to help us do a Service Project for the church, such as helping with Recycling, washing windows, helping clean the sanctuary, and various other projects.

Then we head to Snack supper where we eat, catch up, and then learn some Camp Songs and get ready to head to our groups.

Each group varies what we do each week from what we learn, what devotion is used, or what project we are working on. We spend time in relationship, sharing, laughing, playing, and connecting. Join us to find out more of what we do!
