WHERE DO WE GO?

Upon arrival, please check your child in at the check-in desk in the Children's Wing. Crestwood uses KidCheck software to provide a safe secure environment for your child.

About our staff

Each nursery staff member receives health and safety training and CPR certification. Please know that our staff members have been carefully chosen, and share the common goal of insuring that your child's experience with us is a safe and happy one.

Curriculum: Spark Frolic Nursery is specifically designed to provide spiritual nourishment to infants and toddlers. God's word is the cornerstone of each lesson, which is simple and to the point. Each lesson is paired with age-appropriate activities that help bring home the story.

Here are some things that will help make the morning run smoothly

- ~Please be sure ALL of your child's belongings are clearly labeled.**
- ~Diaper bags/Back packs should have identification that is easy for our staff to locate. (You can print up to 4 labels at the Kid-Check station).**
- ~Include one complete change of clothes as well as extra diapers or pull ups. (We have wet wipes, but if you want us to use yours just let us know).**
- ~Please let us know if your child is potty trained, or in training.**
- ~Please pack a Sippy Cup with your child's name on it. (We will provide water).**
- ~A snack (Cheerios, fruit or Goldfish) will be provided for children who are able to feed themselves. Please let us know of any allergies your child has. If you wish to provide an alternate snack, please be sure to label it.**
- ~If your infant will need a bottle while in our care, please make sure it is labeled and directions for mixing formula are included if applicable.**

~Please do not bring your child if he/she has a runny nose, fever, or is clearly not feeling well. Some things are best un-shared, and we want your little one to be happy during their time with us.
