HABITAT FOR HUMANITY HOUSE FUNDRAISING

We need your help in fundraising for our Disciples for Habitat house. This will be our 30th annual build! This year's build, starting in June, will be the 37th sponsored Habitat for Humanity house by the Disciple Churches in the Lexington area. This year's house is being built at 223 Perry St. off of Manchester St. It will be one of five condos. Work begins on June 1; if you would like to help, contact Glenn Means at glennm@lexhabitat.org.

Crestwood's fundraising goal is \$20,667. Please make your check out to Crestwood Christian Church with "Habitat" on the memo line or place cash in the pew envelope annotated "Habitat" on the outside. Help us continue this wonderful effort!

PLUG IN!

SHARE YOUR TIME AND TALENTS AT CRESTWOOD

Whatever our interests and skills, Crestwood offers so many ways to connect to God and each other through service and ministry. What opportunities speak to your heart? Whether you've served on a ministry team for years or are looking for a new way to connect, we are excited to see how you can plug in and "let your light shine!"

Spring is a time of renewal and growth. It's also when we conduct our annual Time and Talents Campaign. You can complete the survey in your bulletin on Sunday and place it in the offering plate [or click here to complete the quick survey online](#). You can indicate that you'd like to continue serving where you are, would like to specify your interests and talents that you can contribute in a new way, or we can reach out to you to help find a way for you to connect.

Jesus said, "Let your light shine." It's time to plug in!

UPDATE ON NEW REFUGEE FAMILY

We have learned that the folks with whom we were matched through KRM (Kentucky Refugee Ministries) are family members. Evelyne, and her adult children, Niyonteze, Saddam, and Muyana, ARE staying in Lexington after all. Muyana arrived a week or so after the rest of his family. KRM had provided separate apartments for them, as it was not known what their relationships were until they arrived in Lexington. They would like to live together, so are looking for housing to allow for that, while temporarily living with friends. This is a unique start to their new lives in Lexington and some Crestwood folks are connecting as we can, considering they are living in someone else's home for the time being.

Items that need to be addressed, sooner rather than later:

- If anyone has information re: housing for 4 adults, please get in touch with Sonny Wray (swray@lextheo.edu). It should have access to a bus stop within reasonable walking distance.
- If you are interested in helping Evelyne and Niyonteze start working on English, that can be started now. Saddam and Muyana both have good command of the English language and will need more advanced work. If this sounds like something you would like to assist with, for an hour/week or so, please get in touch with Dabney Parker (dabney@twc.com) re: your interest.
- Employment - both young men have college educations, and with their command of the English language should be able to be employed soon. If you have information about possible employment, please reach out to Dabney.

Updates will continue as things develop. We look forward to having the family at Crestwood soon, so they may meet and greet folks. If you have any questions, please do not hesitate to get in touch with Dabney or Sonny. Thanks for the ongoing support Crestwood provides to newly arrived folks, as they begin new lives in a new country!
