ADVENT SERMON SERIES

FROM GENERATION TO GENERATION

The stories, scriptures, and traditions of the Christmas season have been passed down to us throughout the generations. Many of us enter this season with a swell of memories and emotions as we reflect on the role the Christmas story has played in our lives and in our faith. Not only does Christmas connect us to past traditions and family members no longer with us, it also connects us to those who experienced the first Christmas, with all its wonder and mystery. For our Advent sermon series, we'll be looking at the ways the birth of Christ reminds us of our call to be the family of God. Through these familiar stories, we'll take our place once again at God's great banquet table, enjoying the blessings of those we call siblings in Christ. Join us this Advent as we remember that Christmas is first and foremost about the gift of the Christ child to his family of faith - to Mary and Joseph, to the shepherds, to the saints of the past, and to you and me.

BLESSING BOX

Want a chance to participate in blessing our community? Every day people come to Crestwood's Blessing Box for an opportunity to find much-needed food to supplement their limited resources. Every day our efforts keep someone from going hungry. Every day we bear witness that the church cares for people. Could you plan to bring something for the blessing box as you come to worship on Sundays? There will be tubs at both entrances labeled for your donation. When you're shopping, pick up extra canned fruit and vegetables, pasta sauce, bagged and boxed food, and paper products. Bring them as an act of love and worship, all the while knowing that we are being Jesus to those in need.
