Resource Center, and a local food pantry. You can also bring in cans of soup anytime this week. Help us feed the hungry in the community as we cheer on our favorite team and/or just watch the commercials.

## CALLING ALL YOUTH!

On Saturday, February 11, we will be doing our annual service project at Greenhouse17, a local shelter for women and children who have experienced domestic violence.

We will meet at Crestwood at 11:30am, drive to Greenhouse17 in the van, and spend approximately 3 hours helping them unload, sort, and stock the donations they have received. It is hard work, but SO rewarding, as we help them prepare to feed and care for shelter residents for the entire upcoming year.

Please dress in comfortable clothes, be prepared to possibly be working outside (watch the weather, and dress warmly if need be) and be prepared to do a lot of walking and carrying!

It is such a wonderful project and we are honored that the shelter relies on us to help them each year. We will return to church at 3:30pm. Hope you can join us that afternoon!

## CHILDREN'S BOOKS COLLECTION

The Bradford Class thanks the generous people who left several nice stacks of children's books for our Book Box last week. The books seem to be popular with the families who come to visit the food box as some are taken every week.

We encourage you to continue bringing the children's books. Right now, we are concentrating on the children and easy readers. We don't have room for the adult books at this time. Perhaps, though, we could use a few parenting books or recipe books for low-cost meals. Donations can be left in the Giving Lane near the administration wing. Thank you for your kindness and interest in families who are struggling to get educational items in the hands of their children.

## FEBRUARY SERVICE PROJECT: THE NEST

The Nest is an agency that has been serving the Lexington area since 1977. It is a lifeline for all individuals and families in crisis, facing adversity or who have unexpected needs. Programs are free for early childhood education, family assistance for basic human needs, counseling and advocacy for survivors of intimate partner violence and education and support for parents.

Everyone who needs the services of The Nest can rest assured that safety is number one as this agency prioritizes the mental, physical and emotional wellbeing of their clients, team and partners.

The Nest provides caregivers equal access to high quality child care providers, personal hygiene necessities, car seats and children's clothing.

Counseling is provided for intimate partner violence in both individual and group settings as well as legal advocacy for survivors.

Parenting classes for female and male caregivers that focus on healthy parenting are provided in order to assist caregivers in helping them to become skilled and knowledgeable caregivers for the children that they support.

This month Crestwood's service project is The Nest. They only need one item for February to support their Diaper Drive. Diapers may be placed in the Giving Lane (located in the hallway that leads to the Administrative Wing):
