

The background of the poster is a vibrant, cartoon-style illustration of a tropical beach. On the left, a wooden post is wrapped with a rope, and a large, detailed compass is attached to it. The central focus is a large, rectangular piece of aged, yellowed parchment with a torn, irregular edge. This parchment is held in place by four wooden posts, each secured with a grey rope. The text on the parchment is in a bold, black, sans-serif font. On the right side, another wooden post holds a rolled-up treasure map. The map is partially unrolled, revealing a colorful illustration of a treasure chest filled with gold and jewels, surrounded by palm trees, a small island, and a blue body of water. The overall scene is set against a backdrop of a bright blue sky with soft white clouds, a turquoise ocean with gentle waves, and lush green palm trees on the right. In the bottom right corner, there are large, stylized pink and red flowers.
