STEWARDSHIP 2025: DREAMING FORWARD

This fall, we invite you to join us in **Dreaming Forward**, Crestwood's 2025 Stewardship Campaign, rooted in the promise of *Jeremiah 29:11*: "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future." Stewardship is not just about sustaining the church we are today—it is about faithfully building the church of tomorrow. The Financial Stewardship campaign began on Sunday, **September 28**, and you should have received a letter and pledge card inviting you to share in this vision.

Our future will be shaped by the **3-Year Strategic Plan** created by the Faithful Planning Team. This plan is both practical and Spirit-led, designed to help us grow deeper in faith and wider in impact. One of the important steps the team took was naming the values that already guide Crestwood's ministry and mission. While these values have always been present, speaking them aloud and committing to them grounds our future in the heart of who we are as a church. Commitment Sunday is Oct. 12.

Our **core values** reflect the life God calls us to live together:

- **Welcoming:** Extending the limitless love of Christ to all, as a movement for wholeness in a fragmented world.
- **Authenticity:** Living with honesty and grace as we put our faith into action and honor the image of God in one another.
- **Generosity:** Sharing cheerfully from our resources—our finances, time, and spaces—for God's work.
- **Engagement:** Encouraging everyone to use their gifts in service and ministry.
- **Curiosity:** Asking questions, seeking deeper understanding, and growing in faith together.
- **Commitment to Outreach:** Serving with compassion beyond our church walls.

As we enter this season of stewardship, may we allow these values to guide our commitments and inspire our generosity. Join us in **Dreaming Forward**—a season of prayer, reflection, and bold generosity as we imagine the future God is calling us to create together. Because when we dream forward together, we step faithfully into God's unfolding story!

A WORD FROM KORY

"Crestwood, your best days are ahead of you!"

Those were the words of Rev. Dr. Donald K. Gillett II, the regional minister for Kentucky, during his sermon at Crestwood this past Sunday. Preaching on Jeremiah 29:11, Rev. Dr. Gillett encouraged us to dream forward into the future God has planned for us. It was an inspiring sermon, and I continue to think about the hope he preached and the challenge he put forth to us.

I said at the communion table that his words hit me funny at first, because I feel like Crestwood has had some pretty amazing days in our past! In my almost 16 years as your pastor, I can think of countless "best days" as we have laughed a lot, cried a few tears, and worshipped our amazing God together. The last 16 years have been full of "best days." What's been your "best day" at Crestwood?

To think that we have even more best days ahead fills me with such energy and hope. Whatever we dream, God's got something bigger planned for us! That's what our stewardship campaign reminds us. God has given us the people we need for our future, the vision to see what God has in store, and the plan to make it happen. I can honestly say this is the most excited I've been since I've been at Crestwood.

That doesn't mean we're without challenges. Just being a church today in our culture means striving to be faithful in the midst of conflict and division. So many churches are suffering right now, shrinking in attendance, budget, and influence. And yet, at Crestwood, we welcomed yet another young adult couple into membership this past Sunday at the 8:30 AM service. God is up to something!

What our season of stewardship reminds us is that we each have a role to play in making God's dream for us come to life. In our Faithful Plan, we have named "Generosity" as one of the core values of Crestwood, and we live that out in powerful ways. Dozens of non-profit organizations and hundreds of people use our facility each week without paying a dime. Our Endowment Committee has granted \$225,000 to local non-profits, with more to come this year. And in each budget, we commit at least 10% (usually more) to outreach. We are indeed a generous church.

I pray that continues as we move into 2026. We are constantly looking for new ways to serve God and

make God's kin-dom known here on earth. Our asking budget for 2026 will have opportunities for us to grow in our internal (congregation-focused) and external (community-focused) engagement, to more effectively tell our story, and to be more intentionally inclusive to welcome all of God's people. We have big plans! And yet, God's dream for us is even bigger.

I want to ask you to commit to that plan for 2026. If you already pledge to Crestwood, thank you! Your pledge helps us budget accurately and responsibly in order to be good stewards of your gifts. If you have not pledged before, I ask you to consider doing so for 2026. The pledge is not binding, but it makes a statement about your commitment to God's work through Crestwood. As Dr. Don said, God doesn't need our money, but it's not our money! It's a blessing from God that is meant to be shared.

I know it's easy when filling out the pledge card to put down the same amount as years past or maybe add a little bit more than last year. But this year, I want to encourage you to really think about what God is doing through Crestwood and how God is calling you to step up and support that work. This is the year to grow your commitment in a way that will make an even bigger impact at Crestwood and in our community. Our best days are ahead, Crestwood! Let's all do our part to make that happen as we give back to God what God has so abundantly given to us.

“CORE STRENGTH” SERMON SERIES

In its final report, the Faithful Planning team, using all the input it received from the congregation and community groups, named six core values that define who we are as Crestwood Christian Church. For our fall sermon series, we'll be taking a deeper dive into each of these values to learn what they say about us and how we can continue to grow into who God has called us to be. Join us as we work on our “core strength” to discover God's future for us!

BOARD NOTES

The Administrative Board met on Wednesday, Sept. 17. It was a full agenda! Here's what got accomplished:

- Approved the proposal to hire Ministry Architects, a youth ministry consulting firm, to conduct an assessment of our youth ministry program. This assessment should take place sometime this fall.
- Approved the change in the Employee Handbook to define a “minister” as “ordained or commissioned.” This allows commissioned ministers to have access to benefits (four weeks of vacation and ability to apply for a sabbatical) previously only available to ordained ministers.
- Approved two job descriptions, Associate Minister and Minister for Children and Families, and approved the creation of two search teams to work on filling these positions. For more information, see article on pg. 6.

We are also happy to let you know that this year's Habitat for Humanity house is being **dedicated in memory of, among others, Crestwood's Pat Nielsen**. Pat played an integral role in assisting and supporting Crestwood's Habitat for Humanity house builds. Not only did she volunteer to work on houses, but for many years she served as Crestwood's Food Chair, organizing and providing meals for the volunteers! Pat was a high school principal in the Jessamine County school system. Everyone assumed, based on her employment, that she was a stern taskmaster. But Pat was much more than that. She had a playfulness and joyous nature she shared while volunteering! What a great way to remember Pat!

"NO INNOCENT BYSTANDERS" BOOK STUDY

"The struggle for justice is ongoing. In answering the biblical call to act justly and love mercifully, can Christians cross lines of privilege to walk humbly not only with God but with their marginalized neighbors as well?" That's the question *No Innocent Bystanders* seeks to answer by looking at the role of allies in social justice movements and asking what works, what doesn't, and why.

Kory will be leading a book study of *No Innocent Bystanders*, starting on Monday, Oct. 13 and running for four weeks. We'll talk about what it means to be an ally, look at the history of allies in the social justice movements, and explore ways we can join in the struggle for all people to be recognized and valued as children of God. The book study will meet at 6:30 PM in the chapel. You can order the book [here](#).

Blessing of the Pets was a wonderful event in September, and thanks to our generous congregation we took an entire carload of food and much-needed supplies to Lexington Humane Society. Thank you to everyone who helped make this special service project a success once again! And thank you to our Fellowship Committee for the yummy ice cream treats on a hot afternoon!

TWO SEARCH TEAMS CREATED TO FILL MINISTERIAL POSITIONS

At its September meeting, the Administrative Board approved two job descriptions (Associate Minister and Minister for Children and Families) and the creation of search teams to begin the work of filling these positions. Wait! Don't we already have people in those positions?

We do...sort of. Steph (Interim Associate Minister) and Missy (Children's Minister) were hired onto the staff in part-time roles. Those roles have grown and expanded as other staffing changes have occurred, which has resulted in both of them serving full-time with additional responsibilities. In order to solidify our staffing structure, we need to officially create and fill these positions.

The job descriptions that were approved by the Board are, in effect, the roles that Steph and Missy are currently filling...with one major difference. The roles they were hired into were not ministerial roles, but these newly created positions are. Therefore, per our Constitution, we have to conduct a formal search to fill these roles.

For purposes of transparency, the Board decided to make these open searches, meaning that anyone can apply for them. Steph and Missy will be strongly encouraged to apply for their respective positions. The search process usually takes 6-12 months to complete. In the meantime, Steph and Missy will continue to serve in their current roles.

Children's Ministry

Pastor Missy Wallace

Greetings Crestwood Families,

I hope everyone is having a great start to the autumn season! It's hard to believe fall programming is here and Advent planning is in full swing.

Soon, we will gather for our annual pumpkin painting mission project where families will enjoy a pizza lunch and decorate pumpkins for church members following second service on Oct. 19. This event brings so much joy to those who need encouragement or are unable to worship in person. Children will have the opportunity to decorate mini-pumpkins to take home.

The kids are eagerly planning their costumes for our youth sponsored Halloween Bash and chili/soup cookoff later this month. Candy collections are underway, and we hope everyone is excited to compete for this year's cook-off trophy!

Angel trees will go up in a few short weeks. This year, we will be partnering with Russell Cave Elementary, Liberty Elementary, and Glendover Elementary schools to help serve 175 children in need. Bridge kids are preparing to lead worship on Universal Children's Sunday, so stay tuned because you are in for a treat!

It's a beautiful time of year in the life of our church family and I can't wait to begin this chapter. Keep shining your light and remember to be on the lookout for the BIG dreams God has in store for us!

Blessings,
Pastor Missy

Youth Corner

By Rev. Steph Wallace

Happy October! I hope as we move deeper into fall that you take a moment to reflect on the beauty of God's creation in the glorious riot of color in the trees at this time of year. I love fall more than any other season, partly because it brings such joyous events and meaningful service projects to our Youth Group calendar!

Our first very important event this month is the annual Church World Services (CWS) Crop Walk, an event that raises money and brings increased awareness of food insecurity here in Lexington and around the world. Our goal is to raise \$1,000 this year towards the overall KY goal of \$33,000. Please help us get there by spreading the word! More people than ever are struggling with hunger this year, and you can help by making a donation [here](#).

As part of this important service project, all youth are invited to walk in solidarity with our community on Sunday, Oct. 12, from 3:15-4:45 PM. Youth should be dropped off and picked up at Second Presbyterian Church, 460 E Main Street. ALL of Crestwood is invited to come walk with us and help spread awareness of food insecurity here in our own city.

Our second service project this month will be painting pumpkins and then delivering them to church members who could use a bit of autumn cheer on their doorstep. All youth are invited to come paint with us in Chalice Hall at 12:00 PM on October 19. Hope everyone can be there!

The biggest event this month is our Halloween Bash, which will take place on Sunday, Oct. 26 from 4:00-6:00 PM in the Gym and Chalice Hall. There are going to be two bouncy houses and seven game stations in the Gym, along with 12 trick-or-treat stations around the Mission Center hallway. Chili/soup judging will take place in Chalice Hall. We need ALL our youth and families to pitch in this day and help - it is a huge event for our church family and friends. Here is the [link](#) to the sign up for supervising games, judging chili/soup, decorating a doorway in the Mission Center, and all the other help we need to make this event a success.
